The Fred Harvey
RESTAURANTS

POST CARD

STAMP

From the ranches, farms, orchards and gardens of these United States come such rich harvests of good things to eat as to make this nation of ours truly "the breadbasket of the world." Pictured here are just a few (and not necessarily the most important) of the many food products for which each State is famous.

Circles and triangles mark the locations of Fred Harvey hotels and restaurants, extending from Cleveland, Chicago, St. Louis and Kansas City, through the Great Southwest, to the Pacific Coast.
